

# Limit Short-Term Vacation Rentals In Our Neighborhoods

*Don't fall for the money grab!*

When our city government abandoned the basic principles of residential zoning they created a sense of entitlement for those that would exploit our residential neighborhoods. The recent lawsuits filed against our city by out-of-town operators of Short-Term Vacation Rentals (STRs) demonstrate this sense of entitlement.

Pacific Grove's November ballot measure to limit Short-Term Vacation Rentals provides a democratic process for restoring the zoning rules that once protected Pacific Grove residents and neighborhoods.

Don't fall for the misinformation of those exploiting our neighborhoods and their outrageous tales of financial doom and gloom. Let community zoning be your guide and join with us, Pacific Grove Neighbors United, to restore balance to our community.
